

Michael T. Liuzzi, M.A.

Curriculum Vitae

University of Wisconsin-Milwaukee, Department of Psychology
Garland Hall, Milwaukee, WI 53211
mtliuzzi@uwm.edu | uwmlarsonlab.org | he/him/his

EDUCATION

- Ph.D. Clinical Psychology** anticipated May 2026
University of Wisconsin-Milwaukee, Milwaukee, WI
APA-Accredited, APCS and CCaPPTC member
Dissertation: *Shame and depression in youth survivors of trauma: The mediating effect of shame-related resting state amygdala connectivity* (proposed 08/10/2023)
Advisor: Christine L. Larson, Ph.D.
- M.A. Psychology** May 2020
San Diego State University, San Diego, CA
Thesis: *Threat- and reward-related neural architecture of irritability development across early childhood*
Advisor: Jillian Lee Wiggins, Ph.D.
- B.A. Psychology (Research Concentration) and Journalism** May 2018
Gonzaga University, Spokane, WA
Capstone: *Friendships, networks, and moods: The relationship between social media and perceived social support in college students*
Advisors: Anna Marie Medina, Ph.D., Sarah Arpin, Ph.D.
Magna Cum Laude

HONORS AND AWARDS

- First place at the NTTR ABCT Special Interest Group poster competition 2019
SDSU Instructionally Related Activities Travel Fund Award 2019
President's List, Gonzaga University 2014-2018
Gonzaga University Academic Convocation Speaker 2017
Dean's List, Gonzaga University Fall 2016
Psi Chi: The International Honor Society in Psychology

FELLOWSHIPS AND SCHOLARSHIPS

- Advanced Opportunity Program Fellowship (UWM) 2024-2025
Dr. Susan Lima Memorial Summer Fellowship (UWM) Summer 2022
Distinguished Graduate Student Fellowship (UWM) 2021-2022
Chancellor's Graduate Student Award (UWM) 2020-2024
Chancellor's Graduate Student Summer Award (UWM) Summer 2021
Ignatian Leaders Scholarship (ILS; Gonzaga) 2014-2018
Regent Scholarship (Gonzaga) 2014-2018

AWARDED RESEARCH GRANTS

07/2022 – 07/2024

Resting State Connectivity and Depression in Youth Victims of Violence: The Moderating Effect of Shame

Medical College of Wisconsin Clinical and Translational Science Institute (TL1TR001437; NCATS)

National Institutes of Health (NRSA TL1)

Role: Principal Investigator

Direct Costs: \$81,944

RESEARCH EXPERIENCE

Graduate Student Researcher

August 2020 – Present

University of Wisconsin-Milwaukee, Milwaukee, WI

Affective Neuroscience Laboratory

Department of Psychology

PI: Christine L. Larson, Ph.D., Professor

Project: Acute predictors of long-term post-trauma outcomes in youth victims of violence (R01MH124076).

Graduate Student Researcher

June 2018 – August 2020

San Diego State University, San Diego, CA

Translational Emotion Neuroscience & Development Lab

Department of Psychology

PI: Jillian Lee Wiggins, Ph.D., Associate Professor

Work: Coordinated a study investigating the impact of complex trauma on reward-related brain function and efficacy of school-based, trauma-focused CBT. Recruited and scanned middle and high school students (n=35) using a Siemens 3T scanner. Preprocessed and completed group analyses (voxel-wise whole-brain random effects models, ROI/seed-based analyses) on fMRI data (resting state and task-based) using Analysis of Functional NeuroImages (AFNI) for multiple projects.

Undergraduate Researcher

January 2017 – May 2018

Gonzaga University, Spokane, WA

Department of Psychology

Advisors: Gary Thorne, Ph.D., Assistant Professor, and Anna Marie Medina, Ph.D., Professor

Work: Conceptualized and led a study investigating the relationship between depression, loneliness, perceived social support, and certain aspects of Instagram profiles (color filtration and number of faces in a photograph). Administered questionnaires (CES-D, UCLA Loneliness Scale, MSPSS) to 60 participants and completed statistical analyses (bivariate and partial correlations) in SPSS.

Research Assistant

May 2017 – August 2017

Gonzaga University, Spokane, WA

Social Emotions, Relationships, and Health Research Lab

November 2023

PI: Sarah Arpin, Ph.D., Associate Professor
Work: Coded behavioral data of 190 participants via video and qualitative self-reports for a study investigating the associations between social relationships, loneliness, and health in college-aged adults.

CLINICAL EXPERIENCE AND TRAINING

Advanced Practicum Trainee September 2023 – Present	Children’s Wisconsin/Medical College of Wisconsin Department of Anesthesiology <i>Jane B. Pettit Pain and Headache Center</i> Milwaukee, WI <u>Supervisors</u> : Monica Gremillion, Ph.D., Theresa Kapke, Ph.D. <u>Duties</u> : Individual therapy (e.g., CBT, ACT, DBT) with children and adolescents with chronic pain and related psychopathology (e.g., depression, anxiety).
Advanced Practicum Trainee September 2023 – Present	Children’s Wisconsin/Medical College of Wisconsin Department of Pediatrics <i>Pediatric Psychology and Developmental Medicine</i> Milwaukee, WI <u>Supervisor</u> : Jessica Brumm-Larson, Ph.D. <u>Duties</u> : DBT (Dialectical Behavior Therapy) Skills group with adolescents and their caregivers.
Therapy Practicum Trainee August 2022 – October 2023	University of Wisconsin-Milwaukee Psychology Clinic Milwaukee, WI <u>Supervisor</u> : Kevin Haworth, Ph.D. <u>Duties</u> : Individual therapy (Cognitive Behavioral Therapy, Behavioral Activation, Complicated Grief Therapy, Acceptance and Commitment Therapy, Dialectical Behavior Therapy skills) with young adults.
Group Therapy Trainee August 2022 – May 2023	Marquette University Department of Psychology Milwaukee, WI <u>Supervisor</u> : Bonita Klein-Tasman, Ph.D. <u>Duties</u> : Co-lead PEERS (Program for the Education and Enrichment of Relational Skills) caregiver groups (2) for adolescents with autism spectrum disorder.
2nd-Year Practicum Supervisor June 2022 – Present	University of Wisconsin-Milwaukee Psychology Clinic Milwaukee, WI <u>Supervisors</u> : Bonita Klein-Tasman, Ph.D., Kristin D. Smith, Ph.D., Donna Laughrin, Ph.D. Kim Rennie, Ph.D. <u>Duties</u> : Supervision of second-year clinical psychology doctoral students in psychological assessment

November 2023

(psychodiagnostic tests and assessments, structured and semi-structured interviews).

Assessment Practicum Trainee
June 2021 – Present

University of Wisconsin-Milwaukee Psychology Clinic
Milwaukee, WI

Supervisors: Bonita Klein-Tasman, Ph.D., Kristin D. Smith, Ph.D., Donna Laughrin, Ph.D.

Duties: Intake assessments using structured and semi-structured interviews; administer, score, interpret and write integrated reports of psychodiagnostic assessments with children, adolescents, and young adults.

PEER-REVIEWED JOURNAL ARTICLES

Liuzzi, M.T.*, Harb, F.*, Petranu, K., Huggins, A.A., Webb, E.K., Fitzgerald, J.M., Krukowski, J.L., Miskovich, T.A., deRoos-Cassini, T.A., Larson, C.L. (in press) The dichotomy of threat and deprivation as subtypes of childhood maltreatment: Differential functional connectivity patterns of threat and reward circuits in an adult trauma sample. *Biological Psychiatry: Cognitive Neuroscience and Neuroimaging*. *equal contribution

Harris, J.C.*, **Liuzzi, M.T.***, Malames, B.A., Larson, C.L., Lisdahl, K.M. (2023) Differences in parent and youth perceived neighborhood threat on nucleus accumbens-frontoparietal network resting state connectivity and alcohol sipping in children enrolled in the ABCD Study. *Frontiers in Psychiatry, 14:1237163*. *equal contribution

Harris, J.C.*, **Liuzzi, M.T.***, Cardenas-Iniguez, C., Larson, C.L., Lisdahl, K.M. (2023). Gray space and default mode network-amygdala connectivity. *Frontiers in Human Neuroscience, 17:1167786*. *equal contribution

Liuzzi, M.T., Kryza-Lacombe, M., Christian, I.R., Owen, C., Redcay, E., Riggins, T., Dougherty, L.R., & Wiggins, J.L. (2023). Irritability in early to middle childhood: Cross-sectional and longitudinal associations with resting state amygdala and ventral striatum connectivity. *Developmental Cognitive Neuroscience, 60, 101206*.

Christian, I.R., **Liuzzi, M.T.**, Yu, Q., Kryza-Lacombe, M., Monk, C.S., Jarcho, J., & Wiggins, J.L. (2022). Context-dependent amygdala-prefrontal connectivity in youth with autism spectrum disorder. *Research in Autism Spectrum Disorders, 91, 101913*.

Hodgdon, E.A., Yu, Q., Kryza-Lacombe, M., **Liuzzi, M.T.**, Ibarra, G., Cordeiro, C., Bozzetto, L., Dougherty, L.R., Wiggins, J.L. (2021). Irritability-related neural responses to frustrative non-reward in adolescents with trauma histories: A preliminary investigation. *Developmental Psychobiology, 63(6)*.

Morelli, N.*, **Liuzzi, M.T.***, Duong, J.B., Kryza-Lacombe, M., Chad-Freidman, E., Villodas, M.T., Dougherty, L.R., & Wiggins, J.L. (2021). Reward-related neural correlates of early life stress in school-aged children. *Developmental Cognitive Neuroscience, 49, 100963*
*equal contribution

Kryza-Lacombe, M., Christian, I.R., **Liuzzi, M.T.**, Owen, C., Hernandez, B., Dougherty, L.R. & Wiggins, J. L. (2021). Executive functioning moderates neural reward processing in youth. *Cognitive, Affective, and Behavioral Neuroscience*, 21, 105-118.

Liuzzi, M.T.*, Kryza-Lacombe, M.*, Christian, I.R., Palumbo, D., Amir, N., & Wiggins, J.L. (2020). Neural and behavioral correlates of inhibitory control in youths with varying levels of irritability. *Journal of Affective Disorders*, 273, 567-575. *equal contribution

Schwartz, K.T.G., Kryza-Lacombe, M., **Liuzzi, M.T.**, Weersing, V.R., & Wiggins, J.L. (2019). Social and non-social reward: A preliminary examination of clinical improvement and neural reactivity in adolescents treated with behavioral therapy for anxiety and depression. *Frontiers in Behavioral Neuroscience*, 13(177).

MANUSCRIPTS UNDER REVIEW

Harb, F. *, **Liuzzi, M.T.***, Huggins, A.A., Webb, E.K., Fitzgerald, J.M., Krukowski, J.L., deRoos-Cassini, T.A, Larson, C.L. Childhood maltreatment and amygdala-mediated anxiety and posttraumatic stress following adult trauma. *equal contribution

MANUSCRIPTS IN PREPARATION

Liuzzi, M.T.*, Webb, E.K.*, deRoos-Cassini, T.A., & Larson, C.L. Longitudinal changes in resting state functional amygdala connectivity: Predicting sex differences in PTSD symptoms 6 months post injury. *equal contribution

Grocott, L.R., **Liuzzi, M.T.**, Harris, J.C. Stuart, G.L., Shorey, R.C. Adverse childhood experiences and intimate partner violence among sexual minority youth adults: The roles of alcohol and everyday discrimination.

Kryza-Lacombe, M., May, A.C., **Liuzzi, M.T.**, Brotman, M.A., & Wiggins, J.L. Irritability outcomes of psychosocial and behavioral interventions in youths: A systematic review of the literature.

ORAL PRESENTATIONS

Liuzzi, M.T., Webb, E.K., Miskovich, T.A., Bennett, K.P., Huggins, A.A., Weis, C.N., Parisi, E.A., Fitzgerald, J.M., Krukowski, J.L., Iseley, J.L., deRoos-Cassini, T.A., & Larson, C.L. (2022, March) *Changes in resting state functional amygdala connectivity predict posttraumatic stress symptoms in women at a 6-month follow-up*. Oral presentation presented in symposium M. van Zuiden (chair) Sex Critically Impacts PTSD Symptom Course and Predictive Neurobiological Factors Across Longitudinal Emergency Department Studies, at the 42nd annual conference for the Anxiety and Depression Association of America (ADAA), Denver, CO.

Liuzzi, M.T., Schwartz, K.T.G., Kryza-Lacombe, M., Weersing, V.R., & Wiggins, J.L. (2020, November). *Social and non-social reward: A preliminary examination of clinical improvement and neural reactivity in adolescents treated with behavioral therapy for*

anxiety and depression. Oral presentation presented in symposium A. Kujawa (chair) Innovative Approaches for Advancing Research on Treatment and Prevention of Mood Disorders, at the 54th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), virtual conference.

Liuzzi, M.T., Schwartz, K.T.G., Kryza-Lacombe, M., Weersing, V.R., & Wiggins, J.L. (2020, March). *Social and non-social reward: A preliminary examination of clinical improvement and neural reactivity in adolescents treated with behavioral therapy for anxiety and depression*. Oral presentation accepted in symposium A. Kujawa (chair) Novel Methods for Advancing Research on Depression Treatment and Prevention, at the 40th annual conference for the Anxiety and Depression Association of America (ADAA), San Antonio, TX. [conference canceled due to COVID-19]

Liuzzi, M. & Pardico, A.C. (2018, April). *Friendships, social networks, and moods*. Oral presentation at the 15th annual Spokane Intercollegiate Research Conference (SIRC), Spokane, WA.

Alvarado-Young, K., Pham, M., **Liuzzi, M.**, Pardico, A.C. (2018, February). *They said yes!: Engagement via social media tools and mental health*. Oral presentation at the annual convention for the National Orientation Directors Association (NODA) – Region I, Spokane, WA.

POSTER PRESENTATIONS

Liuzzi, M.T., Harb, F., deRoon-Cassini, T., Larson, C.L. (2023, November). *Experiences of childhood threat and anxiety symptoms: The mediating effect of resting state amygdala connectivity in traumatically injured adults*. Poster presented at the Neurocognitive Therapies and Translational Research (NTTR) special interest group at the 57th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), Seattle, WA.

Liuzzi, M.T., Harb, F., Petranu, K., deRoon-Cassini, T., Larson, C.L. (2023, November). *Childhood maltreatment (threat and deprivation) and threat- and reward-related neural connectivity in traumatically injured adults*. Poster presented at the 39th annual meeting of the International Society for Traumatic Stress Studies (ISTSS), Los Angeles, CA.

Harb, F., **Liuzzi, M.T.**, deRoon-Cassini, T., Larson, C.L. (2023, November). *Childhood maltreatment and anxiety symptoms: The mediating effect of resting state amygdala connectivity in traumatically injured adults*. Poster presented at the 39th annual meeting of the International Society for Traumatic Stress Studies (ISTSS), Los Angeles, CA.

Grocott, L.R., **Liuzzi, M.T.**, Harris, J.C. Stuart, G.L., Shorey, R.C. (2023, November). *Adverse childhood experiences and intimate partner violence among sexual minority youth adults: The roles of alcohol and everyday discrimination*. Poster presented at the 39th annual meeting of the International Society for Traumatic Stress Studies (ISTSS), Los Angeles, CA.

- Liuzzi, M.T.**, Harb, F., deRoon-Cassini, T., Larson, C.L. (2023, September). *Childhood threat and anxiety symptoms: The mediating effect of resting state amygdala connectivity in traumatically injured adults*. Poster presented at the Midwest TL1 Research Summit, Milwaukee, WI.
- Harris, J.C., **Liuzzi, M.T.**, Larson, C.L., Lisdahl, K.M. (2023, September). *ABCD study youth perceived threat on amygdala-DMN resting state functional connectivity and internalizing symptoms*. Poster presented at the Midwest TL1 Research Summit, Milwaukee, WI.
- Liuzzi, M.T.**, Harb, F., Petranu, K., Larson, C.L. (2023, April). *Childhood emotional neglect on nucleus accumbens connectivity in adult survivors of trauma*. Poster presented at the annual meeting of the Association for Clinical and Translational Science (ACTS), Washington, D.C.
- Harb, F., **Liuzzi, M.T.**, Petranu, K., Larson, C.L. (2023, April). *Childhood emotional neglect on reward-related neural connectivity in adult survivors of trauma*. Poster presented at the 78th annual meeting of the Society of Biological Psychiatry (SOBP), San Diego, CA.
- Liuzzi, M.T.**, Harris, J.C., Cardenas-Iniguez, C., Larson, C.L., Lisdahl, K.M. (2022, November). *The absence of green space (gray space) on default mode network-amygdala connectivity*. Poster presented at the Neurocognitive Therapies and Translational Research (NTTR) special interest group at the 56th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), New York City, NY.
- Liuzzi, M.T.**, Harris, J.C., Cardenas-Iniguez, C., Larson, C.L., Lisdahl, K.M. (2022, October). *The absence of green space (gray space) on default mode network-amygdala connectivity*. Poster presented at the 11th annual CTSI Milwaukee Regional Research Forum (MRRF), Milwaukee, WI.
- Liuzzi, M.T.**, Harris, J.C., Cardenas-Iniguez, C., Larson, C.L., Lisdahl, K.M. (2022, September). *The absence of green space (gray space) on default mode network-amygdala connectivity*. Poster presented at the Midwest TL1 Research Summit, Madison, WI.
- Liuzzi, M.T.**, Webb, E.K., Miskovich, T.A., Bennett, K.P., Huggins, A.A., Weis, C.N., Parisi, E.A., Fitzgerald, J.M., Krukowski, J.L., Iseley, J.L., deRoon-Cassini, T.A., & Larson, C.L. (2021, November). *Changes in resting state functional amygdala connectivity predict posttraumatic stress symptoms in women at a 6-month follow-up*. Poster presented at the Neurocognitive Therapies and Translational Research (NTTR) special interest group at the 55th annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), virtual conference.
- Christian, I.R, **Liuzzi, M.T.**, Yu, Q., Monk, C.S., Wiggins, J.L. (2020, September). *Alterations in connectivity patterns by cognitive state and mental disorder status may suggest different neural patterns of consciousness*. Poster presented at 14th biennial meeting of The Science of Consciousness (TSC), virtual conference.

- Liuzzi, M.T.,** Kryza-Lacombe, M., Christian, I., Palumbo, D., Wiggins, J.L. (2019, November). *Functional connectivity of inhibitory control in youths with varying levels of irritability.* Poster presented at the Neurocognitive Therapies and Translational Research (NTTR) special interest group at the 53rd annual convention of the Association for Behavioral and Cognitive Therapies (ABCT), Atlanta, GA.
- Morelli, N., **Liuzzi, M.T.,** Duong, J.B., Chad-Friedman, E., Villodas, M.T., Dougherty, L.R., & Wiggins J.L. (2019, October). *Early life stress predicts reward-related brain activation in school-aged children.* Poster presented at the 66th annual meeting of the American Academy of Child and Adolescent Psychiatry (AACAP), Chicago, IL.
- Liuzzi, M.T.,** Christian, I., Palumbo, D., Osuna, L., Dougherty, L.R., Wiggins, J.L. (2019, September). *Irritability-related intrinsic amygdala connectivity in early childhood.* Poster presented at the 3rd annual Congress on Pediatric Irritability and Dysregulation, Burlington, VT.
- Christian, I., **Liuzzi, M.T.,** Kryza-Lacombe, M., Owen, C., Hernandez, B., Wiggins, J.L. (2019, September). *Understanding the mechanisms of irritability by comparing neural and behavioral measures of inhibitory control.* Poster presented at the 3rd annual Congress on Pediatric Irritability and Dysregulation, Burlington, VT.
- Hodgdon, E., **Liuzzi, M.T.,** Yu, Q., Kryza-Lacombe, M., Bozzetto, L., Owen, C., Wiggins, J.L. (2019, September). *A preliminary investigation of frustration-related neural correlates in adolescent irritability.* Poster presented at the 3rd annual Congress on Pediatric Irritability and Dysregulation, Burlington, VT.
- Liuzzi, M.T.,** Kryza-Lacombe, M., Biglow, J., Amir, N., Wiggins, J.L. (2019, May). *Response inhibition related neural correlates of irritability in adolescents.* Poster presented at the 31st annual convention for the Association for Psychological Science (APS), Washington, D.C.
- Liuzzi, M.T.,** Biglow, J., Kryza-Lacombe, M., Amir, N., Wiggins, J.L. (2019, March). *Associations between irritability and neural and behavioral correlates of response inhibition in adolescents.* Poster presented at the 12th Annual San Diego State University Student Research Symposium (SRS), San Diego, CA.
- Liuzzi, M. & Pardico, A.C.** (2018, May). *Friendships, social networks, and moods.* Poster presentation at the 30th annual convention for the Association for Psychological Science (APS), San Francisco, CA.

TEACHING EXPERIENCE

Instructor
Fall 2021

University of Wisconsin-Milwaukee, Milwaukee, WI
Department of Psychology
Courses: Introduction to Psychology 101

November 2023

Teaching Assistant Fall 2020	University of Wisconsin-Milwaukee , Milwaukee, WI Department of Psychology <u>Courses:</u> Research Methods in Psychology 325
Teaching Assistant Spring 2020	San Diego State University , San Diego, CA Department of Psychology <u>Courses:</u> Introduction to Psychology 101 (two sections), Developmental Psychology 230
Teaching Assistant Fall 2019	San Diego State University , San Diego, CA Department of Psychology <u>Courses:</u> Developmental Psychology 230, Psychology of Infant and Child Development 331
Teaching Assistant Spring 2019	San Diego State University , San Diego, CA Department of Psychology <u>Courses:</u> Introduction to Psychology 101 (two sections), Developmental Psychology 230
Teaching Assistant Fall 2018	San Diego State University , San Diego, CA Department of Psychology <u>Courses:</u> Introduction to Psychology 101 (two sections), Developmental Psychology 230, Psychology of Infant and Child Development 331

Duties for all TA courses: Proctor and grade exams, papers, and extra credit assignments for all students. Coordinate and lead exam study sessions. Hold weekly office hours.

MENTORING EXPERIENCE

Graduate Student Mentor March 2022 – Present	ANL Lab, University of Wisconsin-Milwaukee <u>Mentees:</u> Post-baccalaureate research assistant
Psychology Grad Ambassador June 2019 – May 2020	Department of Psychology, SDSU , San Diego, CA Communicate with prospective students for the Master of Arts program in psychology at San Diego State University. Walk students through program structure and answer questions regarding application procedures.
Graduate Student Mentor September 2018 – August 2020	TEND Lab, San Diego State University , San Diego, CA <u>Mentees:</u> 10 undergraduate research assistants

VOLUNTEER EXPERIENCE

SMILE Leader May 2017 – May 2018	Center for Community Engagement , Spokane, WA Designed and implemented weekly relationship building activities for students at Finch Elementary. Oversaw 15
--------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------

November 2023

student mentors along with 30-45 elementary school students every Friday. Lead reflections as a way to build relationships and develop interpersonal skills.

SMILE Volunteer

September 2014 – May 2018

Center for Community Engagement, Spokane, WA
Mentored students at Finch Elementary with aim to build self-esteem, positive relationships, and develop resilience. Aided in the creation of group activities, games, and crafts for students.

QUANTITATIVE & NEUROIMAGING TRAINING

Statistical Training

Advanced Statistics in Psychology II, Regression, 2019

Advanced Statistics in Psychology I, ANOVA, 2018

Statistics in Psychology, 2017

Neuroimaging & Neuropsychology

Advanced Neuropsychology, 2018

Principles of fMRI I, Coursera, 2018

Principles of fMRI II, Coursera, 2018

Familiar Neuroimaging and Statistical Software

AFNI, CONN Toolbox, SPM, SPSS, R, Unix

SPECIALIZED RESEARCH AND TECHNICAL TRAININGS

2023 fMRI Image Acquisition & Analyses Course with SPM and ICA (GSU/UNM/Dartmouth)

2022 Neuroanatomical Dissection: Human Brain and Spinal Cord (Marquette University)

2021 Learning the CONN Toolbox (Martinos Center for Biomedical Imaging)

SPECIALIZED CLINICAL TRAININGS

2023 Addressing Suicidal Behavior: Strategies for Assessment, Crisis Intervention, and Treatment (Michelle Cornette, Ph.D., SAMHSA)

2021 Wisconsin LGBTQ+ Health Summit

2021 FORGE Training: Gender Affirming Care for Trans and Non-binary Individuals

INSTRUMENTS ADMINISTERED IN CLINICAL & RESEARCH SETTINGS

Semi-structured Interviews

Diagnostic Interview for Anxiety, Mood, and OCD and Related Neuropsychiatric Disorders (DIAMOND, DIAMOND-KID); Mini International Neuropsychiatric Interview (MINI); DSM-5 Cultural Formulation Interview (CFI)

Assessments & Neuropsychological Tests

Wechsler Adult Intelligence Scale (WAIS-IV); Wechsler Intelligence Scale for Children (WISC-V); Wechsler Individual Achievement Test (WIAT-4); Woodcock-Johnson - Tests of

Achievement, Tests of Cognition (WJ-IV); California Verbal Learning Test (CVLT-III, CVLT-Child Version); Child and Adolescent Memory Profile (ChAMP); Delis-Kaplan Executive Function System - Trail Making Test, Color-Word Association Test, Tower (DKEFS); Conners Continuous Performance Test (CPT-III); Conners Continuous Auditory Test of Attention (CATA); Conners 4; Comprehensive Executive Function Inventory (CEFI); Cognitive Assessment System (CAS-2); Tower of London (ToL); Comprehensive Test of Phonological Processing (CTOPP-2); Gray Oral Reading Tests (GORT-5)

Other Standardized Instruments

Minnesota Multiphasic Personality Inventory (MMPI-II); Personality Assessment Inventory (PAI); Revised NEO Personality Inventory (NEO PI-R)

CLINICAL CONSULTATION EXPERIENCE

University of Wisconsin-Milwaukee, Clinical Psychology PhD Program

Multicultural Consultation Team, Member

2021-present

PROFESSIONAL SERVICE

University of Wisconsin-Milwaukee, Clinical Psychology PhD Program

Clinical Psychology Program Diversity Committee, Education subcommittee

2020-present

Clinical Student Representative, Faculty Search Committee

Spring 2022

Clinical Psychology Program Interview Day Planning Committee

2021

Ad Hoc Reviewer

Journal of Affective Disorders

Autism: International Journal of Research and Practice

Biological Psychiatry: Global Open Science

Journal of Child Psychology and Psychiatry

Cognitive, Affective, and Behavioral Neuroscience

Depression & Anxiety

Developmental Cognitive Neuroscience

PROFESSIONAL AFFILIATIONS

American Psychological Association (APA), graduate student affiliate

Association for Behavioral and Cognitive Therapies (ABCT), graduate student affiliate
